WERE YOU REALLY KILLED BY SOMEONE?
IS IT TRUE? HIKARU!

Akagi?
Hello?

I FOUND HIM!
AKAGI!!
What are you looking at—?

PLEASE DON'T LET ANYTHING HAPPEN TO AOI!
Looks like even at a famous school like this one, this kind of situation can still happen
They went into the woods!
Prince Hikaru is too kind! With a fiancée like you, no wonder he has so many side romances!
Just because Prince Hikaru didn't pay attention to you, you harbor such nasty feelings and even ruined his obituary. What an ugly sight!

Why would the culprit choose to cut "X"s as the mark in the obituary and the signatures?
If it was done on purpose, then the culprit was definitely in the art room that day when that happened
This girl is the culprit? Is there any proof?

"葵"ヒカルが地球にいたころ……

But being a part of Hikaru's fan club and yet ruining his obituary and those signatures is unacceptable
I don't know what kind of past you have with Aoi
Let... Let me go!
.....
ちょっと
It's...
It's because I can't forgive her...

A... A plebian like me can't even get close to Prince Hikaru
She became his fiancee so effortlessly and yet she still did that...
That scum of a woman who cursed Prince Hikaru's name is the bane of all men
She even said... that he deserved to be punished
Having the nerves to say such things...
IF I COULD BECOME PRINCE HIKARU'S BRIDE, I WOULD THANK GOD EVERYDAY ...!

We have done you a lot of wrong
I would also like to apologize
You idiots! Don't just apologize!
If you were just going to beg for forgiveness then you shouldn't have done it in the first place!
...Please don't

..Don't apologize
Don't say sorry...
Aoi!?
The obituary... and the signatures weren't ruined by me...
But...
I always had the thought of doing it
!
It's like you said, Hikaru never loved me

I always despised that cheater
He's so confusing and irritating
And then he leaves in such an unexpected way
He was so carefree until the end...
I just couldn't stand seeing all those girls talking about Hikaru first thing in the morning
I've always thought of tearing down that obituary and those signatures
That's why... When I saw that the obituary and the signatures were ruined
I felt as if I had done it myself

I REALLY WISH THAT
I CAN FORGET ABOUT HIKARU!
!
WAIT

That person's feelings for me...
Please don't bother me anymore!
Are as unimaginable as the stars falling from the sky!
Whatever Hikaru's feelings are...
!!

Why? Is it because Aoi is actually—
If she really hates him that much, then why would she worry about his real feelings?

Because I so strongly declared that I would pass on Hikaru's real feelings
The reason why she can't sleep at night is because my words claw at her

If you punish those girls, then Aoi will blame herself
From now on I won't let anyone else hurt Aoi

How about I have a talk with your father about cancelling the engagement?
He'll definitely mess around with countless girls and cause Aoi harm
Hikaru will never remain faithful ever in his life
You two are just not compatible
But whenever she says those words, I never nod my head
Asa is right. I think this way too
If only I had listened to Asa then I would not be feeling this much pain in my heart
This is the first of the presents I will give to you, Aoi-chan

Hikaru is a liar
Liar
That's what the letter clearly said
There are still 6 more presents remaining for Aoi-chan's 17th birthday
Liar!
Liar!

T/N: "meow" means "mew"

At first, all I felt was anger
The promised presents, Hikaru has already asked me to pass them on
DON'T HURT HER
His look is always direct and sincere
Yet-
HIKARU IS NOT SHAMELESS!
OR WORTH-LESS!
If that's true then just how negligible was the promise to Hikaru?
This angry-looking, ferocious man was actually Hikaru's friend?
Tickets to the amusement park! You better come!
This is the second present

It's almost time...
I'll be waiting at the front of the station. I won't leave until you show up!

Oh... Ok
I'll go take a look
Aoi-chan
If Hikaru was still alive, he would definitely say this——
Here is your present

Let's cancel our engagement
I'm giving you "freedom"
Meow?

次回に続く almost done boss! Closing in, the final moment—Next chapter, the emotional conclusion!

First off, I don't mean to brag but page 32

Looked like this

You're welcome (Okay, maybe all I did was clone. Sheesh, I still deserve some credit don't I?)

Now the important part: next chapter sucks. It's literally one of those NOW GO READ THE LIGHT NOVEL OR NEVER GET CLOSURE! type endings. I am apologizing beforehand. Really though, if you're interested in this series, you should read the light novels (baka tsuki has vol 1-3 but hellping has up to 7). If you like the second book and can bear through 3 (worst girl who is a loli), it'll be a great ride! For incentives, next book has Koremitu's first kiss (not his mom), Honoka does confess, and Asa actually joins the harem (yes he gets a harem, this is a Japanese light novel based on the Tale of Genji what did you expect?)

Well then, final chapter is coming up soon and my job here will be done

"葵"ヒカルが地球にいたころ……

Why not?
Because a boy and a girl can't be friends
Aw really... If only Asa was a boy
.....
...Never mind. Asa is better as a girl
...I got it! Asa, I'll definitely make a "cool-headed" friend who's a boy
...If you understand then it's fine
If I could play with boys and not mess around with girls, then I won't make Aoi angry anymore—
—But it won't be easy to find a friend who is "cool-headed" like Asa

In front of so many girls crying
...When I woke up, I was already at my own funeral
I never thought that before that day could come...
The plan was that when I went to borrow your textbook I would ask if I could be your friend
Was my soul to leave Earth in this way?
No one could hear me and I could not move my body
Aoi-chan was well. Everyone was doing well. I could never bother them again
Liar
That's what I had thought until I saw you

I saw what you did at that intersection!
I know that you can save me!
Akagi-san!
PLEASE LEND ME YOUR STRENGTH AKAGI-SAN
PLEASE SAVE ME HERO!
AKAGI-SAN!!
?
!
んっ

My body became light and I floated to your side
Ah... Things will definitely be better now
That's what I believed
?
At that moment, you responded to my desperate cry for help

You fulfilled it for me, no matter how troublesome it was
And when I made my selfish request
And you even became my friend
You are my hero and a great friend
Thank you
...I'm very grateful

Don't cry, Koremitsu
...That's sneaky of you
Why are you telling me this now...
Because now is perfect
Hikaru is about to go
I've always known that this day would come
And I've even wished that it would come sooner

Didn't we promise?
That when I depart, you would send me off with a smile?
Good bye—
My first friend
My best friend—

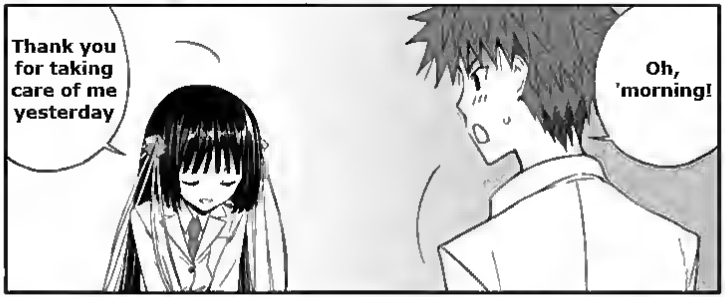
Like you, Shikibu, are a good person
I've always thought that girls were no good, but I'm starting to change that thought
...But I got to say, girls
Tragic roman-ce?
So it was just a tragic romance after all
ふふ
And when you hug them, they feel so fragile like they would easily break
Huh?
Girls are so soft and cute
What are you saying, I'm just...
The original plan was also to kiss her...

Tsk... Why do I even care
Pi
Pi
?
?
Y-Y-You... It's because you're like this that you were dumped in the first place!
How despi-cable!

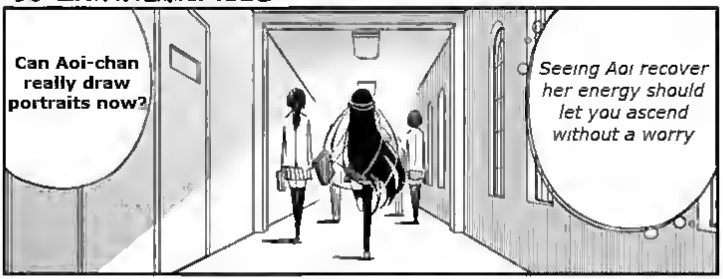
I still don't understand women...
Good morning
Akagi-san

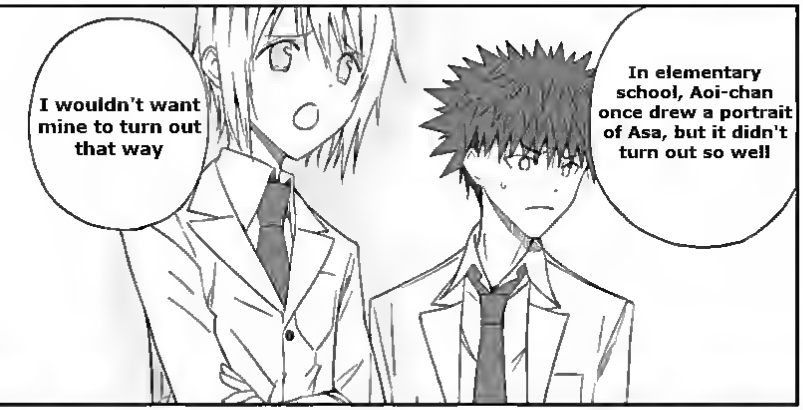
"葵"ヒカルが地球にいたころ……



It's a promise
Sure
When I'm finished, would you care to take a look?
It looks like your feelings made it through to Aoi
Good for you, Hikaru

"葵"ヒカルが地球にいたころ……





WHAT THE—
WHY ARE YOU STILL HERE—?
You said you were going!
T/N I assume this says OHHOHOHO
あはははは
So why are you at school with that kind of face!
Even your hair is all sparkly!

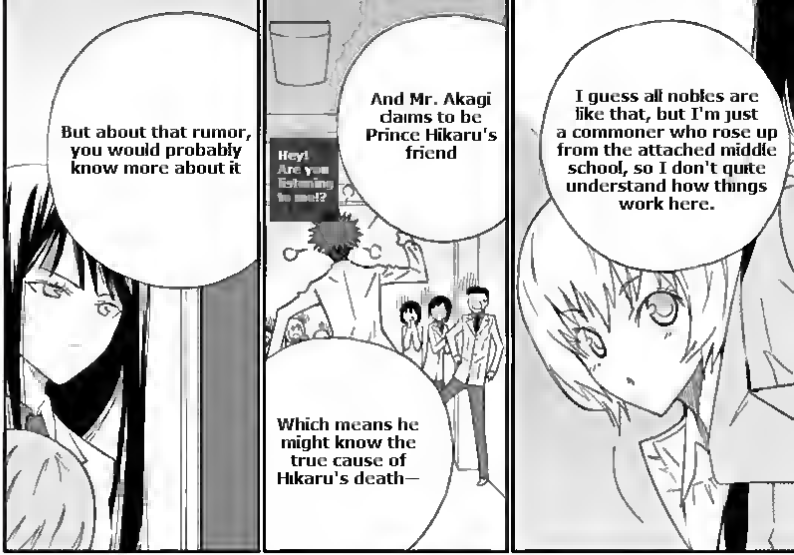
He couldn't have also told him about—
Just how much did Hikaru tell him?
Are you noticing Mr. Akagi, President Saiga?
It's not often that you see a person who is as straightforward and honest as him
Especially not in this school full of so many two-faced people



I guess all nobles are like that, but I'm just a commoner who rose up from the attached middle school, so I don't quite understand how things work here.
And Mr. Akagi claims to be Prince Hikaru's friend
Hey! Are you listening to me!?
But about that rumor, you would probably know more about it
Which means he might know the true cause of Hikaru's death—

After all, President Saiga
Was smiling at Hikaru's funeral

Just who was Hikaru Mikado?

Does anyone on this Earth truly understand that harem king's heart?

Standing with the crowd of sobbing girls, I alone was smiling
Under the cold, frigid rain on the day of his funeral, surrounding Hikaru's coffin stood countless flowers
The one who controls me
A cruel and headstrong liar. Nothing could have saved that gentle boy who was so afraid of being alone

It's hilarious watching those girls mourn for his death
Especially since they don't know a thing
It's just too funny

It was me who ended your life
Only I know how you met your end
Writhe in pain as the flowers you loved most give you endless suffering.
Hikaru Mikado
Even if you're dead,
You must still atone for your crime

■おわり■

If you're going to read the LN, I would recommend that you start from Volume 1 (In case you didn't understand some parts of my translation) but you can skip straight to Volume 2 if you want (Although, there are some extra chapters after the epilogue in Volume 1 that weren't covered in the manga).

If not, I'm sure people in the comments section will spoil enough to give you closure (I've already seen plenty of the "BEST GRIL WINS" posts).

As for my next project, I have my raw but I don't know if the other translator is completely inactive...

Oh well.
